

NOTIFICATION OF THE PEOPLE OF MBIEMOKELI  
TO WHOM IT MAY CONCERN

We, people of MBIEMOKELI, are declaring by the present letter that our forest is reserved for a national exploitation oriented in eco-tourism. Therefore, we don't agree with any other form of intensive exploitation of woods as it is done by the forester exploitation companies. So, SODEFOR company beginning activities in the surrounding forest, can never be authorized to realise its destroyer activities against the plan of B.C.I. which is helping us to organize our community reserve ~~at~~ home.

The announcements above-mentioned are given to B.C.I. in order to have a right to our forest.
